ENERPAY

Pay any way

PAY YOUR WAY

Pay any way you want. Mobile NFC, QR code, Octopus, mobile app, Visa payWave, Mastercard PayPass, Wechat Pay, AliPay, Google Pay, Apple Pay, PayMe and any payment method supported by QR Code. Did we miss anything?

STAY IN THE KNOW

Stay in control with our cloud-based Centralized Management System, while the web-based remote monitoring allows you to keep an eye on operations.

INFORMATIVE SCREEN

Check your charging status through the intuitive touchscreen. Changed your mind? Just tap the button on the screen to stop charging.

*Subject to charging payment conditions
